

## Our Vision

The Nantucket Cottage Hospital and the Nantucket Cottage Hospital Foundation shared vision is for every individual on Nantucket needing medical services from birth through the transitions of life to have access to compassionate, comprehensive, state-of-the-art health care, delivered by competent medical professionals with proper equipment in suitable facilities. Our foundation helps provide the resources needed to help make Nantucket Cottage Hospital the best community hospital in America.

*Margot Hartmann, M.D., Ph.D., became President and CEO of the hospital in October, 2010 following her decade-long tenure serving the hospital's Emergency Department. Dr. Hartmann earned her Master of Philosophy and Doctor of Philosophy (Biochemistry) at the University of Surrey, Guildford, England. She earned her M.B. B.S. at St. George's Hospital Medical School in London.*

## 2011 Milestones

NCH received continued accreditation in 2011 by the Joint Commission, a nonprofit organization that accredits and certifies more than 19,000 U.S. health-care programs.

NCH's lab is a College of American Pathologist's accredited laboratory, the 'gold standard' for hospital laboratory accreditation.

NCH implemented the MD ACKcess telephone line to connect patients with available primary care physicians and specialists (508-825-1000).

NCH offers its new Wellness Program, open to the public and designed to encourage heart-healthy eating and exercise.
